

In recognition of World Suicide Prevention Day the Canadian Mental Health
Association Hamilton and Suicide Prevention Community Council of Hamilton are
pleased to offer safeTALK training at a subsidized rate of only \$10 per person for the
general public!

## **BECOME SUICIDE-ALERT**

- safeTALK is a half-day alertness workshop that prepares anyone over the age of 15, regardless of prior experience or training, to become a suicide-alert helper
- Most people with thoughts of suicide don't truly want to die, but are struggling with the pain in their lives. Through their words and actions, they invite help to stay alive
- safeTALK-trained helpers can recognize these invitations and take action by connecting them with life-saving intervention resources, such as caregivers trained in Applied Suicide Intervention Skills Training - ASIST
